DR. M'LANE'S LIVER PILLS. Bilious complaints, notwithstanding the great prevalence of those diseases in the United States. In the South and West particularly, where the patient is frequently unable to obtain the services of a regular physician, some remedy was required, at once safe and effectual, and the operation of which could in nowise prove prejudicial to the constitution. This medicine is supplied by Dr. M'Lane's Liver Pills, prepared by Fleming Bros. of Pittsburgh, as has been proved in every instance in which it has had a trial. Always beneficial, not a solitary instance has ever occurred in which its effects have been injurious. The invention of an BLACKSMITH AND WHEEL-WRIGHT educated and distinguished physician, it has nothing in common with the quack nostrums imposed upon the public by shallow pretenders in the medical art.
